

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay.

Applicant herewith elects the species with the electric motor with the shaft inside the stators. Claim 6 is specific to the elected species, claim 16 is specific to the nonelected species. All other claims are generic to both species.

The claims have been amended to improve their language somewhat and eliminate some typographical errors.

Respectfully submitted,  
Karl F. Ross P.C.
